

WHAT'S NEW IN THIS VASL VERSION – VASL6.7.1-beta6

New Features

Bug Fixes

Fix 1: Revised LOS code for Cropping and Flipping

NOTE: this code will only work with (a) one map at a time and will not work with ANY HASL maps. Multi-board maps and selected HASLs will be re-instated once this code is proven to work for single-board maps.

THIS VERSION WAS BUILT FOR TEST PURPOSES ONLY AND SHOULD NOT BE USED TO PLAY GAMES

Improvements

Compatibility Notes

Minimum Version Required: Built with VASSAL 3.7.16.
